"Reason and Conscience" bezieht sich auf Artikel 1 der Menschenrechtscharta, in der es heißt, dass wir Menschen "mit Vernunft und Gewissen begabt" sind. Also dürfen wir alle (!) unsere Glaubenssätze und Überzeugungen in Frage stellen. Die provozierende 4. Strophe soll zum Nachdenken anregen. Z. B. was bedeutet "selbstbestimmtes Leben"? Tut es mir vielleicht gut, Entscheidungen abzugeben? Was verstehe ich unter Gott? Wichtig ist mir, dass hinterfragen nicht gleich bedeutend ist mit über Bord werfen.
